Presentation Title

Author Name

Institution Name

Motivation

- State the research question or presentation objective in one sentence.
- Summarize the setting, data, or problem that motivates the talk.
- Preview the main result or contribution.

Roadmap

1) Background and research question
2) Data, method, or design
3) Main evidence
4) Interpretation and next steps

Reusable Blocks

Main point

Use a regular block for the key claim on a slide.

Caution

Use an alert block for assumptions, limitations, or unresolved questions.

Figure Placeholder

Figure: Replace this example with your own figure.

Simple Diagram

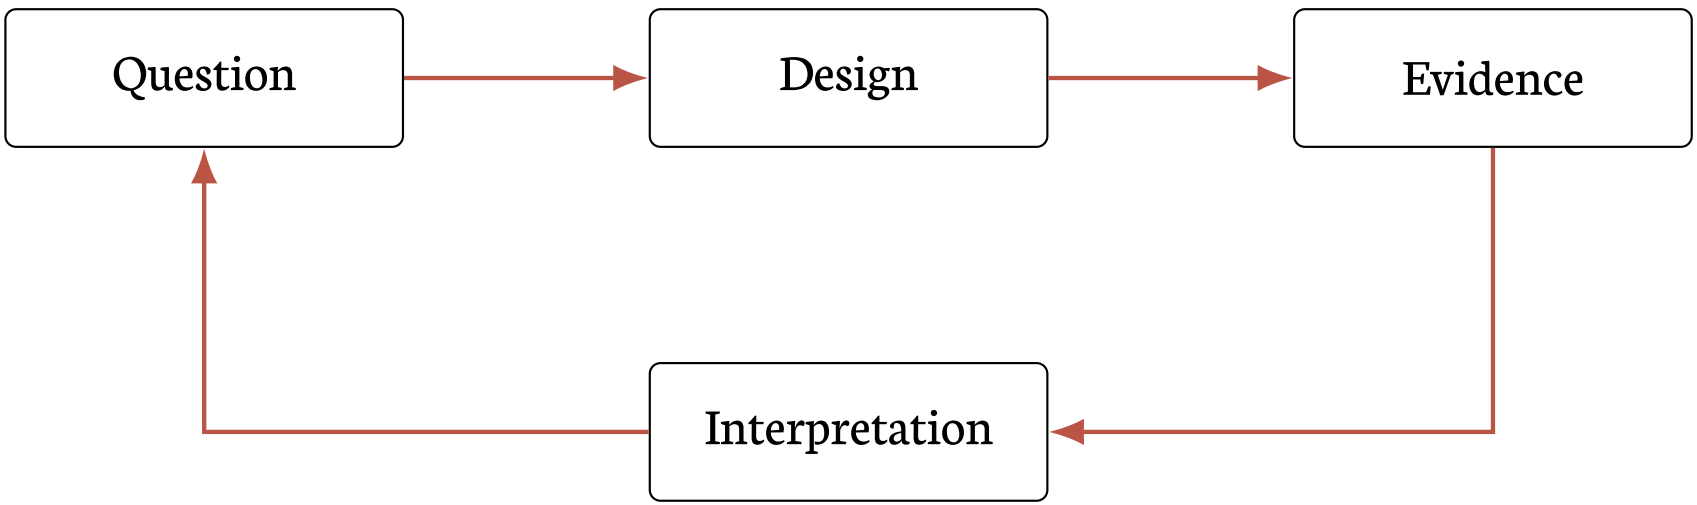

Table Example

Group	Mean	SD	N
A	1.25	0.42	120
B	1.47	0.51	118
C	1.39	0.48	122

Table: A compact table using `booktabs`.

Citation Example

A parenthetical citation looks like (Einstein 1905). A textual citation looks like Einstein (1905).

Keep bibliography entries in `references.bib` and compile with Biber.
